

Life Stressor Relief Program (LSRP)[™]

What are Social Determinants of Health (SDOH)?

Influences from a person's environment that have a direct impact on their health.

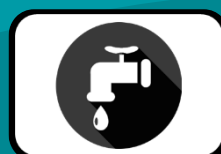

Housing

Food

Transportation

Utilities

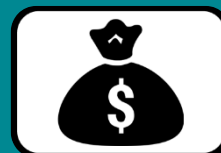

Childcare

Employment

Education

Finances

Personal Safety

“Your program blessed my family tremendously and I am forever thankful.” – A. Smith

We can help!

Alium Health's Care Coordinators will help identify stressors in your life and the LSRP will:

- ❖ Offer necessities for babies
 - ❖ Diapers, Car seats, Bottles, and more
- ❖ Offer monetary assistance*
- ❖ Offer Community Resources
- ❖ Minimize / eliminate stressors

*Monetary aid offered through Mercy Care Community Reimbursement Grant, awarded to the John Elliott Foundation and Alium Health.

Do you struggle with?

getting a job • having food on the table • keeping a roof over your head • paying rent • access to health care • needing a GED • health problems • access to healthy food • getting to school or work • home repair • having a safe environment • baby needs • access to utilities
